

WARPLANES ARE NOT ENTERTAINMENT

ANNUAL WITNESS @ THE CLE NATIONAL AIRSHOW

SAT-MON, SEP 5-7, 2026

(10am-5pm each day)

WarPlanes are Not Entertainment. Nonviolence Works, War Doesn't

3-day Peace Witness to End Militarism at the Cleveland National Air Show

All are welcome to join for whatever hours they can.

Every year, the Air Show witness gives us an opportunity to reflect on our own complicity in a war economy and what we, as people of conscience, are called to do while living in this violent US culture that is rooted in surveillance, militarized policing, war, and imperialism. We call on the Spirit to transform us into peacemakers. May we turn around from the path of destruction.
