

IRTF Latin Dance 2026

IRTF (InterReligious Task Force on Central America and Colombia) is a human rights nonprofit that has been in the Near West/Ohio City neighborhood since 1985, promoting **peace, justice and human rights** for the people of Latin America and immigrants here in NE Ohio.

Please consider supporting IRTF's annual Latin Dance extravaganza: Rhythms of Latin America. This event will bring together 150-200 people at Pilgrim Church in Tremont to celebrate the food, culture, rhythms and dances of Latin America and the Caribbean. With dance performances, dance lessons and open dancing with DJ Manny, IRTF will bring la cultura y el sabor to the floor!

You have the **opportunity** to reach out to a diverse crowd from both sides of the Cuyahoga River by becoming a sponsor of IRTF's Latin Dance. We ask area businesses and other partners to consider supporting IRTF's human rights mission with a donation: sponsorship, food, dessert, beverage, raffle item, or other.

Suggested deadline: Monday, June 8, 2026
