We The People Mini-Rally

in Parma, OH

Our communities are hurting! People have lost access to health care and families are going hungry —all so the ultra-rich can receive more tax breaks, and ICE and CBP can receive funding to tear apart our communities.

Date: Saturday, May 9

Time: 10-11:30 AM

**Location: Ridgewood Lake Park
(Across from the Parma Town Shopping
Center: 8253 W. Ridgewood, Parma)**

We're holding our Members of Congress responsible for their votes on the **Big Bad Budget Law** and urging them to vote against future cuts.

Let them know how their votes are harming our communities and what we need to move forward - real solutions for health care, food, housing, & more.
