

Human Rights Cases at a Glance: Summary of letters written by IRTF in response to urgent human rights abuses

On behalf of our 190 Rapid Response Network members, **IRTF volunteers wrote and sent six letters each month** to government officials in these countries, with copies to officials in the US. See the letters at <http://www.irtfcleveland.org/content/rm> or ask us to mail you hard copies.

By signing our names to these crucial letters, human rights crimes are brought to light, perpetrators are brought to justice and lives are spared. Our solidarity is more important than ever. Together, our voices do make a difference.
